PLAINTIFF'S FIRST SET OF INTERROGATORIES FOR ROBERT SERPICO

Plaintiff Steven Greer ("Plaintiff"), in accordance with Rules 26 and 33 of the Federal Rules of Civil Procedure ("FRCP") and Local Civil Rule 33.3 for the Southern District of New York, hereby request that Defendant The Battery Park City Authority ("BPCA" and "Defendant") provide answers to the following Interrogatories in writing, under oath, to be served by January 16, 2016 upon the offices of the Plaintiff via email and by regular mail at 4674 Tatersall Court, Columbus, Ohio 43230.

DEFINITIONS AND INSTRUCTIONS

The definitions set forth in Local Civil Rule 26.3 for the Southern and Eastern Districts of New York, together with the other definitions set forth below, shall be applicable unless specifically indicated:

- 1) The term "communication" means the transmittal of information (in the form of facts, ideas, inquiries or otherwise). A request for "communications" encompasses any document(s) attached to, appended to, or enclosed with any responsive transmittal.
- 2) The terms "plaintiff" and "defendant" as well as a party's full or abbreviated name or a pronoun referring to a party mean the party and, where applicable, its officers, elected officials, directors, employees, partners, corporate parent, subsidiaries or affiliates. This definition is not intended to impose a discovery obligation on any person who is not a party to the litigation.
- 3) The term "concerning" means relating to, referring to, describing, evidencing or constituting.

- 4) The terms "all," "any, and "each" shall each be construed as encompassing any and all.
- 5) The connectives "and" and "or" shall be construed either disjunctively or conjunctively as necessary to bring within the scope of the discovery request all responses that might otherwise be construed to be outside of its scope.
- 6) The use of the singular form of any word includes the plural and vice versa.

The following instructions are applicable to these Interrogatories:

- 1) Any legal entity referenced herein shall be construed as encompassing, where applicable, the officers, elected officials, directors, managers, employees, partners, corporate parent, subsidiaries or affiliates of that entity.
- 2) To the maximum extent permitted by FRCP 26(e), these Interrogatories are to be deemed continuing so as to require further and supplemental production promptly if additional information called for herein is discovered or obtained, or if Defendant learns that any response to these Interrogatories is inaccurate or incomplete.
- 3) The present tense shall be construed to include the past tense, and the past tense shall be construed to include the present tense.
- 4) Except where as noted, the period of time covered by each specification is to date.

Plaintiff into public board meetings? Local rule 33.3 allows for this to be asked since it seeks to identify witnesses.
